PINER TO PINELAND.

The registration of Rev. W. K. Piner, pastor of Jefferson Avenue Cumberland Presbyterian church, to take effect July 1, was tendered the elders of the church at a special session Sunday afternoon.

The care of his property at Lakeland, Fla., his old home, was assigned by Rev. Piner as his reason for leaving the local church. His resignation came as a surprise to all the members and it was much regret that it was accepted.

Rev. Piner has been with the local church hardly more than a year, as he came to this city from Bethany, Ill., the first of April, 1917.—Evansville Courier.

The military surgeons have found creped paper a very satisfactory substitute for cotton gauge bandages.

PRINCESS TODAY

Mme. Petrova in "More Truth Than Poetry."

Vera, daughter of Daniel Maitland, the "Steel King" marries Blair, an easy-going young lawyer, and is cut off by her father with only a small allowance. A few months later Blair becomes famous by securing the acquittal of one of his friends who had killed his wife's lover, basing his plea on the unwritten law. He then succumbs to the fascination of another woman. Vera discovers them in a compromising situation, and shoots Blair. At her trial her lawyer is pleading for mercy for her when she exclaims that she does not want mercy, but justice, and asks if there is one law for a woman and another for a man, saying she shot her husband because he betrayed her trust. At this point the "inner" story is broken by the appearance of the novelist's sweetheart who calls to take her to the opera, and the picture ends with the understanding of future happiness for them.

ORGANIZES AN R. C. AUXILIARY

EDWARDS MILL COMMUNITY
HAS ENTHUSIASTIC MEETING
MONDAY AFTERNOON.

The Edwards Mill community now has an auxiliary of the Red Cross Chapter of Christian county. Mrs. Blakemore went out Monday afternoon to Edwards Mill school and met twenty-one ladies of that community and assisted them in the organization of the Auxiliary. They had a very enthusiastic meeting and this auxiliary will give good account of itself in the work it plans to do.

Mrs. W. T. Dougherty was elected chairman; Miss Floyd Rose, secretary, and Mrs. R. B. Hall, treasurer. Mrs. Blakemore had the assistance in this organization of Mrs. W. R. Wheeler.

Misses Jennie Glass and Mary Clark and Mrs. W. S. Harned were present at the meeting and talked to those present concerning the work of the Woman's Committee of the Council of National Defense, liberty bonds, etc.

ANOTHER LYNCHING.

JAMES P. ROKER ON THE ROAD TO SUCCESS

FORMER HOPKINSVILLE MAN
DIED IN NASHVILLE
MONDAY.

James P. Roker died at his home in Nashville Monday aged about 50 years. Mr. Roker was a carpenter and formerly lived here. He was a brother of Chief of Police Ellis Roper of this city. Two other brothers and two sisters survive him, besides his wife and six children. The burial took place in Nashville yesterday.

PRINCESS TOMORROW.

John Alton, a conscientious pacifist, at a time when he is angered by the scorn of his patriotic friends, and dejected by the loss of his sweetheart, Barbara Norton, who considers him a slacker, is induced to read Edward Everett Hale's famous story, "THE MAN WITHOUT A COUNTRY," and the incidents seem to him like a replica of his own life in a previous existence. As Lieutenant Philip Nolan, U. S. A., he sees himself on trial for the identical crime against the United States uttered by himself; then condemned to pass the rest of his life as an unshackled prisoner on board a warship without ever hearing of the country to which he belonged; and eventually dying in his cabin with a benediction for the flag of the United States.

The visualization of the story quickens in John Alton the dormant sense of responsibility to his country, and he becomes a recruit at Fort Slocum.

Meanwhile Barbara has been a Red Cross nurse in France. The ship on which she is returning to America is attacked by an enemy submarine and the wreck floating in mid-ocean presents a triumph of film realism. Whether Barbara was saved from the wreck to resume the interrupted romance with her former lover is fully revealed in the final reel. Apart from its stirring patriotic spirit the picture offers seven reels of engrossing entertainment.

PURELY PERSONALS.

Mrs. Mollie Robinson, of Bluff Spring vicinity, is very ill of cancer of the stomach. She is more than 80 years of age and much apprehension is felt as to her recovery.

Prof. J. W. Marion, and Misses Jean McKee, Ruth Haydon, Lottie McDaniel and Mary Wallace are attending the K. E. A. meeting in Louisville.

Miss Elizabeth Hayes will go to Louisville today to be in attendance at the Educational Association.

ORATORICAL CONTEST.

Prof. Lowe Johnson, principal of the Newstead school, has arranged for an oratorical contest between the Newstead, Howell and LaFayette schools. Each school will send a boy and girl champion and the contests one of the boys and the other of the girls, will be held at Newstead school house Friday night. An admission of 25 cents will be charged, for the benefit of the Red Cross.

RECOGNITION FOR DAVE.

Washington, April 23.—Representative D. H. Kincheloe is slated to be the new president of the Kentucky State Association of Washington. He will be nominated without opposition for that office at the reorganization meeting of the society that will be held here tomorrow night.

ANTI-LOAFERS LEAGUE HAD ACTIVE BUSINESS MEETING YESTERDAY AFTERNOON.

The Christian County Anti-Loafers League met yesterday at Liberty Loan headquarters and completed the organization begun at a former meeting by electing a permanent secretary and raising an expense fund to prosecute a campaign against the men who are classed as loafers and have heretofore refused to work.

Mr. W. O. Soyars was unanimously elected secretary and no better choice could have been made. He is the city attorney, a well informed lawyer, and a tireless worker. His office is with Trimble & Bell, Attys., or John Stites, Atty.

This League has a good membership already but every farmer and business and professional man should be an active member.

It will take the cooperation of every one to make this work the success it should be and no person should hesitate to report anyone found not working 36 hours per week as stipulated in the new vagrancy law he should do. This law will be stringently enforced against men of all ages both white and colored if the cases are reported to the authorities as they should be. Several cases have already been reported and will be prosecuted in due course of time.

In order that the League may be put on a business basis and have sufficient financial backing a membership fee of \$2.00 has been established which every one should gladly contribute to this work. In addition to this several have contributed larger amounts. These are Richard Leavell \$10.00; Forbes Mfg. Co., \$10.00; Dalton Bros. Brick Co., \$5.00; and others various amounts. Many others who were not present yesterday should volunteer their subscriptions at an early date.

One situation confronting the farmer today is the custom of one farmer hiring his neighbors help by offering a little more money. This should not be and unless every farmer is honest with his neighbor and cooperates with him we will soon have a demoralized labor situation in this county and none will be able to recognize his own farm hands.

There is a law to prevent one person from interfering with the labor of another. Come on, Mister Farmer, and play the game square.

The next meeting of the League will be at 3 p. m. Saturday, May 4.

LEAVES ARMY TO MARRY, NOW HELD AS DESERTER.

(By International News Service.)
Memphis, Tenn., April 23.—Will Woodward, while being trained at Camp Sevier, N. C., to whip the Kaiser, concubed married life was preferable to the life of a fighting man. He left the camp and walked to his old home at Arp, Tenn., a distance of several hundred miles, and married the girl he loved. Then he settled down on a little farm and sent word to the authorities that he would "fight until I am dead in defense of my home." The officers came in due time and after chasing Woodward two miles through a canebrake, captured him. He is being held charged with desertion from the army.

MR. MITCHELL COMPLIMENTED.

Referring to the Insurance men's banquet at Providence last week, the Enterprise says of one of the Hopkinsville visitors:

"Mr. W. L. Mitchell, superintendent of the Hopkinsville district, is a son of Rev. F. A. Mitchell, a former beloved pastor of the Methodist church in Providence. He is a man with a charming personality and is one of Hopkinsville's substantial business men."

ST. LOUIS THE FIRST OVER.

She refused to sign his questionnaire, so Wake returned to his legal wife here and she signed up for him to enable him to get a low rating. But after getting her signature Hiram went back to his old love in Springfield for a visit.
